

WHY TRUST WE NOT OUR GOD

1. Why trust we not our God, Cre - a - tion's Lord and Law,
2. Why trust we not His arm, Still strong to do His will;
3. Why trust we not His power, All earth - ly powers a - bove;
4. He lives, the Lord of lords: He reigns, the King of kings.

Who framed the firm - a - ment, and keeps The sun and stars in awe?
 To use the sin - ful wrath of men His wis - dom to ful - fill?
 His rule, unchanged since time be - gan, Of jus - tice and of love?
 To Him be hom - age while the earth Thro' its vast or - bit swings. A - men.
